## DAY SPA AT LE MERIDIEN

Experience pure relaxation away from the every day hustle and bustle of the city and let yourself get pampered from head to toe. This offer is available from monday till thursday starting at 10:00 am at LeSPA!

You are welcomed with a glass of fresh orange juice, a hot espresso or cup of tea and a tasty little treat to put you in the mood for your special day at LeSPA. Re-energize in our fitness center, do some laps in the pool and then relax in one of our luxurious saunas.

Indulge yourself with two unique treatments, which you can choose from a wide range of cosmetic applications and types of massages.

You will also enjoy some culinary delights during your time at LeSPA: a selection of yogurt, fresh fruit, juices and a refreshing snack at LeSPA's bar are included in your day spa package. Green tea and mineral water will be served all day.

The Hotel Le Méridien Stuttgart's garage offers easy, free-of-charge parking.

We look forward to welcoming you!
